News You Can Use

We are very excited to welcome Erin Dallago to our development team. Erin comes to SHFB with over 25 years of nonprofit experience in development. She has organized special events, written grants and specialized in major donors relations. She has worked in youth corrections and health and human services organizations. Erin has devoted her career to serving the community. She loves the mission of CACLV and SHFB and hopes she can be a voice for the underserved in our community.

This is a friendly reminder to all agencies who received food from the Stamp Out Hunger Food Drive - please remember to report your poundage to Briana.

This information is needed to report back to the Post Offices to acknowledge the efforts of the Letter Carriers who make this food drive possible every year.

News You Can Use cont.

*A reminder for Lehigh and Northampton County State Food recipient agencies, all 2016-2017 funds have been allocated to your agency. There is **A LOT** of product available. All allocations must be spent (or committed) by June 30th, and all food needs to be out of our warehouse by July 17th. On May 31st, if we see that your agency isn't using the allotment in a timely manner, we will start to share it with other agencies.

If your allotment is more than you can pick up, please let us know, we may be able to schedule a delivery.

If you have it, use it or lose it!

*Second Harvest Food Bank will be closed June 26th to June 30th for inventory. We are doing a full shut down, this includes deliveries and agency pick-ups.

If you have a scheduled pick-up appointment that week, please speak with Valerie to reschedule if needed.

*Save the date! Empty Bowls, Second Harvest's annual event, is set for Saturday, October 14, 2017 from 6-9PM at our warehouse. We hope to see you there. Please contact Briana at bmcgonagle@caclv.org or (484) 287-4015 for more details.

*A reminder for all agencies, participation reports are due by the 5th of the following month for every agency. These reports help us with allocations, grants, donations, and advocacy efforts.
